

A Piece of Cake

Can you see that mountain touching the sky?
Gonna climb that mountain way up high, It looks just like an ice-cream pie,
"Be a piece o' cake," said Jim.

(Italian) "Un pezza de torta, un pezzo de torta, un pezzo de torta," said Jim.

Well we reached the lake and found the snow,
Legs were going a little bit slow, Just bit further, up we go,
"It's a piece o' cake," said Jim..

(French) "Un morceau de gateau, un morceau de gateau, un morceau de gateau," said Jim.

So I climbed that mountain way up high,
Knees were shaking and my mouth was dry, I was sure I was gonna die!

We'll eat our lunch and then climb down,

(Spanish) "Un trozo de pastel, un trozo de pastel, un trozo de pastel," said Jim.

Back at the lodge those chefs were bakin',
