# From Our Door

(words and music Barbara Stacey)

Petunia, Pauline and Peter: (Sing)

We gotta keep the wolf from our door,

We gotta keep the wolf from our door,

We gotta keep the wolf, we gotta keep the wolf,

We gotta keep the wolf from our door, that's for sure,

That's for sure, that's for sure, that's for sure.

We gotta make sure the door is shut tight,

We gotta make sure the door is shut tight,

We gotta make sure the door, make sure the door,

Make sure the door is shut tight, yes that's right,

Yes that's right, yes that's right, yes that's right.

Chorus and Pigs: (Sing)

We gotta keep the wolf from our door,

We gotta keep the wolf from our door,

We gotta keep the wolf, we gotta keep the wolf,

We gotta keep the wolf from our door, that's for sure,

That's for sure, that's for sure, that's for sure.
