I've dressed my ba-na- nas in their py- ja- mas and I'm in my py- ja- mas

too, I've kissed mum good night - and turned off the light -

I'm read- y what a- bout you? I've had my show- er, I've

brushed my teeth. I've used that hair- brush too. I'm clean and shin- y and

read- y for bed. Hey! What a- bout you? I've dressed my ba- na- nas

in their py- ja- mas and I'm in my py- ja- mas too. I've kissed mum good night - and

turned off the light - I'm read- y what a- bout you? You grown- ups stay up

far too late. I think it must be some- thing you ate. I'd

stay up too but I've got a date with B 1 and B 2. So! I've
