

GNOMENAPPED

My gar- den gnome has run a- way. My gar- den
gnome's not home to- day. He's packed his bag and gone to
town. He left a note, "I'll see you 'round". Oh I
wish he'd send a fax, or simp- ly send a card. I'm miss- ing him so much. It's
lone- ly in our yard!
My gar- den gnome came back to- day. He said he'd
had a hol-i- day He'd been up north to see his mate. He's back home
now, just by the gate. My gnome's back home!
