

# He Won't Come In

(words and music Barbara Stacey)

He won't come in,

He won't come in,

He won't come in,

He won't come in,

He's been in there all day

He likes it in

He likes it in

The billabong

The billabong

He says he's going to stay.

He won't come in,

He likes it in,

He is going to stay.
