

## I Believe in Sunshine

I believe in sunshine,  
and I hope for rain,  
'cause I know the good times  
go then come again.

I believe that laughter  
drives away the pain  
'cause I know the good times  
go then come again,

And when life gets tricky,  
you don't know what to do,  
you need a friend  
to see you through.  
When I see the rainbows  
shine through the rain,  
then I know the good times  
go then come again.

I believe in moonlight  
try and find your star,  
when the night is darkest  
daylight can't be far.

I believe that loving  
simply can't be wrong,  
try a little friendship,  
Help someone along.

And when life gets tricky,  
You don't know what to do,  
You need a friend  
to see you through.

---

Take a pile of sunshine  
and enjoy the rain,  
'cause you know the good times  
go then come again  
you know the good times,  
go then come again.
