

I Don't Want To Go To School

(words and music Barbara Stacey)

I don't wanna go to school today, I don't wanna go to school today.

The kids all hate me, the teachers too,

And I'm sick of those vegemite sandwiches too.

I don't wanna go to school today, I don't wanna go to school today.

Well you stop and listen here my boy, This old world is not your great big toy.

So the kids all hate you, the teachers too,

But I know you've got heaps and heaps of work to do,

So you have to go to school today, So you have to go to school today.

I don't wanna go to school today, I don't wanna go to school today,

There are meetings to run, it's not much fun,

And I never get to just sit in the sun,

I don't wanna go to school today, I don't wanna go to school today.

You must stop making all that fuss. Get out of bed and go and catch that bus.

You can't lie around in bed all day, if you do I don't think you'll get your pay.

You'll just have to move faster, **YOU ARE THE HEADMASTER!**

You have to go to school today, you have to go to school today!
