

# I Loved My House

(words and music Barbara Stacey)

PETUNIA: (Say) I am just so miserable. I really liked that house!

(Sings)

I loved my house, I loved my home, I thought I'd stay, I'd never roam,  
He's kicked me out, without a doubt, I'm so unhappy.

PETER: (Sings) I loved my home, I loved my house, I lived there quietly as a mouse,  
He came right in, with that big grin, he's oh so snappy.

PETUNIA and PETER: (Sing)

He broke it up, he blew it down, he left us standing like a clown,  
Why is he mean, he wrecked our dream, our hopes are gone now.

PAULINE: (Sings)

Come live with me, and you will see how very happy we will be,  
My house is yours, so come indoors, we're family
