

I Used To Be Scared

(words and music Barbara Stacey)

Miss Muffet: I used to be scared of all bugs

Chorus: Oh, yes she was

Miss Muffet: I used to think bugs were just thugs

Chorus: Oh, yes she did

Miss Muffet: But now that I've met them, I've started to pet them,
And large ones I kiss and I hug!

Chorus: She used to be scared of all bugs

Miss Muffet: Oh, yes I was

Chorus: She used to think bugs were just thugs

Miss Muffet: Oh, yes I did

Chorus: But now that she's met them, she's started to pet them,
And large ones she kisses and hugs!
