

It's Christmas Lyrics

Christmas has come it's that time of the year,
Christmas has come time for peace and good cheer,
write that list, it's Christmas,
wrap that gift, it's Christmas,
mend that rift, it's Christmas, and be happy,
wear a smile, it's Christmas,
all the while, it's Christmas,
peace on earth, it's Christmas day.

Christmas has come, and there's no turning back,
Santa will come, lots of toys in his sack,
write that list, it's Christmas,
wrap that gift, it's Christmas,
mend that rift, it's Christmas and be happy,
wear a smile, it's Christmas,
all the while, it's Christmas,
peace on earth, it's Christmas day.

write that list, it's Christmas,
wrap that gift, it's Christmas,
mend that rift it's Christmas, and be happy,
wear a smile, it's Christmas,
all the while, it's Christmas
peace on earth, it's Christmas day.

(and an extra verse, could be sung unaccompanied)

Christmas has come there's a hush in the air,
Christmas has come it's the spirit we share,
write that list it's Christmas,
wrap that gift, it's Christmas,
mend that rift, it's Christmas and be happy,
wear a smile, it's Christmas,
all the while, it's Christmas,
peace on earth, it's Christmas day.
