

# My Dog Pud

(words and music Barbara Stacey)

Chorus:

My dog Pud never does as she should

She's so happy all day.

My dog Pud never does as she should

She always gets her own way

She joins in picnics in the park, she checks each barbecue;

She chases possums after dark, she wags her tail at you

Chorus

She barks at postmen, oh my gosh, when thunder comes, she moans,

She hides when its time for a wash, she's glad when I come home.

Chorus

She always gets her own way
