

One Way Ticket

(words and music Barbara Stacey)

CHORUS:

I've got a one way ticket, I'm hopin' I won't be back.

I've got a one way ticket, it's gonna take me,

Way, way down the track.

I've got a one way ticket, I'm hopin' that will be fine,

I've got a one way ticket, it's gonna take me,

Way, way down the line.

I really hate this town, it sort of gets me down,

Can't wait to get away from this place.

I really hate this town, it only makes me frown,

I need to find my very own space.

CHORUS

You loved me once I know, you'd never let me go,

You said our love was true as could be,

You loved me once I know, you'd never let me go,

And now you tell me that I am free!

CHORUS

Way, way down the line, way way down the line, WOO OO OO.
