

Those Fairies

(words and music Barbara Stacey)

CUE: "As soon as he's kind too!"

Those fairies then flew right away
Up high and out of sight,
Bert's mum peered in the billabong
And cried with all her might
Our Bertie flipped his tail and fins
U-turned and swam away.
He'd try and find that fish called Joe
And spend his time in play.
He found that Joe Fish just in time
For Joe was nearly hooked!
A fisherman was pulling him in
His goose would sure be cooked.
